On December 20, 1993, the Commission issued an Order in this proceeding granting Morgan County Water District ("Morgan Water") a Certificate of Public Convenience and Necessity for a proposed construction project financed in part by the Farmers Home Administration ("FmHA"). The Order was issued pursuant to KRS 278.023, which requires the Commission to accept agreements between water districts and FmHA and to issue the necessary orders to implement the terms of such agreements within 30 days of satisfactory completion of filing requirements.

On January 4, 1994, Morgan Water filed a letter with the Commission requesting reconsideration of the proposed financing and rates. This reconsideration would bring the Commission's Order

into agreement with FmHA's Amended Letter of Conditions. The Commission will treat Morgan Water's letter as a Motion. The Commission's December 20, 1993 Order states as follows:

[a] \$792,000 waterworks improvement project . . . Project funding includes a \$300,000 loan from FmHA, a \$235,000 grant from FmHA, a \$195,000 grant from the Appalachian Regional Commission ("ARC") and \$62,000 from applicants for service in the proposed service area.

IT IS THEREFORE ORDERED that:

1. Morgan Water's motion for reconsideration is hereby granted.

2. The financial arrangements for this case are amended to read as follows:

[a] \$795,000 waterworks improvement project . . . Project funding includes a \$317,000 loan from FmHA, a \$283,000 grant from FmHA, and a \$195,000 grant from the Appalachian Regional Commission ("ARC").

3. The rates set out in Appendix A, which is attached hereto and incorporated herein, are the rates approved for service rendered on and after the date of this Order.

4. All other terms and provisions of the Commission's December 20, 1994 Order are hereby reaffirmed.
